### Remarks

Welcome to your home base in Jacksonville. This recently renovated and surprisingly spacious four bedroom two bath retreat is designed for comfort, convenience, and flexibility. Whether you're traveling for work, visiting family, catching a Jaguars game or a show, or simply exploring Jax, this home gives you a peaceful place to land while keeping you close to everything.

Inside, you'll appreciate a formal living room for relaxing and an open kitchen and dining area that makes cooking, gathering, and everyday living feel easy. There's also a dedicated office space for anyone working remotely. Fast WiFi is included, and every bedroom has a Smart TV so everyone can unwind in their own way.
